Translation:

Allah is the Greatest (3 times) There is No Deity but Allah. Allah is the Greatest (2 times) and His is the praise. Surely Allah is the Greatest. His is the abundant Praise. Glory to Him, Day and Night. There is No Deity but Allah, the one and only. He fulfilled His promise, supported His servant (Muhammad, p.b.u.h) Granted his soldiers a manifest victory and inflicted decisive defeat on the allied enemies. There is no deity but Allah and we worship none but Him with the sincere devotion even though the disbelievers may resent it.

Oh Allah! Exalt and have blessings on our Master Muhammad, and on the people of our Master Muhammad, and on the companions of our Master Muhammad and on the supporters of our Master Muhammad and on the wives of our Master Muhammad and on the descendants of our Master Muhammad, and salute all of them with much peace.
